Job Summary

Full-time pharmacist working mainly in retail pharmacy setting, with potential for inpatient pharmacy cross-training, at Bigfork Valley Hospital. Bigfork Valley Pharmacy serves patients at the critical access hospital, assisted living center, long-term care facility, and three licensed tele-pharmacies. The pharmacist:

- Serves patients by preparing medications, giving pharmacological information to multidisciplinary health care team, and monitoring patient drug therapies.
- Prepares medications by reviewing and interpreting physician orders and detecting therapeutic incompatibilities.
- Dispenses medications by compounding, packaging, and labeling pharmaceuticals.
- Controls medications by monitoring drug therapies; advising interventions.
- Completes pharmacy operational requirements by organizing and directing technicians; workflow, verifying their preparation and labeling of pharmaceuticals, and verifying order entries.
- Provides pharmacological information by answering questions and requests of health care professionals and counseling patients on drug therapies.

About the Position

- Full-Time/ Part-Time/ Casual
- Weekdays
- No weekends or holidays
- On-Site at Bigfork Valley

Qualifications

- Doctor of Pharmacy degree from an accredited College of Pharmacy preferred, and licensure as a registered pharmacist with the Minnesota Board of Pharmacy. CPR/BLS Certification required.

*The salary for this position is between \$62.26 - \$80.09 per hour with a median wage of \$71.18. It is not typical for an individual to be hired at or near the top of the range for their role. Compensation decisions are dependent on the facts and circumstance of each case and on several factors including relevant work experience, education, certification & licensure, and internal equity. Hourly pay is just one part of the compensation package for employees.
