*The hourly wage for this position is $22.50/hour to $29.02/hour, with a median wage of $25.76/hour. It is not typical for an individual to be hired at or near the top of the range for their role. Compensation decisions are dependent on the facts and circumstance of each case and on several factors including relevant work experience, education, certification & licensure, and internal equity. Hourly pay is just one part of the compensation package for employees.
